

THE NEWS FROM THE OLD NORTH STATE AND ITS CAPITAL.

NEWS OF THE NORTH STATE.

Important Work Soon to Issue from the State's Presses.

CROPS AT STATE FARMS.

Lively Season at Morehead—The President of Baptist Female University—Law Lectures at Chapel Hill—A. & M. College Commencement—Political Matters—Board of Agriculture to Meet—Supreme Court to Adjourn Soon—North Carolinians Going to Paris.

Raleigh, N. C., May 19.—The State printers will soon issue from their presses the regimental reports of North Carolina troops that served in the civil war. Judge Walter Clark, who prepared and edited the reports, is busy reading the proofs of the first volume. The second volume will appear soon after the publication of the first volume. Much regret will no doubt be expressed at the small edition, as the authorized number of copies is only 1,000. Such a small edition of a valuable work like this will not last long. The State having no stereotyping process it will be impossible to print another edition without incurring the original cost of publication.

Judge Clark has his hands full just now. He is editing three other works, which naturally require much of his time. The third edition of Clark's Annotated Code will be out in a few days. The work comprises over 1,000 pages. The other works which Judge Clark has in hand are the nineteenth volume of State Records, from 1787 to 1789, and a reprint of the third and fourth volume of the North Carolina Reports, with annotations by Judge Clark. The number of State Records to be printed are 800 and of the reprints 500. The nineteenth volume of the State Records will contain a splendid map of the State at the time of the close of the Revolution. The map gives the county boundaries and the high roads in 1773. At that time from Tennessee counties, which comprised a good portion of that State, were a part of North Carolina. In addition to the Tennessee counties there were forty-four counties in the State. The map is a correct and accurate one. It was made by the State under the direction of Judge Clark by Mr. E. W. Myers, of the State Geological Survey. He was assisted by Dr. K. P. Battle.

CROPS AT STATE FARMS.

Major J. C. Davis, chairman of the Board of Directors of the Penitentiary, has returned from a tour of inspection to all the farms. He says that crops are all in splendid shape. Speaking further, he said:

"There are about 400 acres each planted in peanuts, corn and cotton, all of which is in a flourishing condition. In addition to this, there are gardens the size of truck farms on which are raised the vegetables necessary for the convicts food during the summer months. "At the Caledonia farm there are 600 acres of wheat, 100 of which the managers confidently expect to yield over forty bushels to the acre. There are 120 mules that have been bought for the farms and they are all in good condition. Thirty-five young mules are being raised. They have 700 head of hogs and 420 head of cattle. Mr. J. J. Wood, the superintendent, thinks he will raise meat enough to supply the convicts food."

"At the Anson farm the cotton has been planted, but owing to heavy freshets, the corn has not yet been planted. They have 100 acres of excellent wheat."

A. AND M. COLLEGE.

The annual reunion of the alumni of the Agricultural and Mechanical College will take place during commencement week, May 27-30. The alumni oration will be delivered Monday, May 28, at the college, by Mr. C. W. Gold, who graduated in 1895. Immediately after the oration the banquet will be held. Captain David Clark, of Charlotte, will preside as toastmaster. The business meeting will be held on Tuesday at 10 a. m.

THE SEASON AT MOREHEAD.

Mr. George Scoville will open the Atlantic Hotel, at Morehead, June 6th. The evening will be made memorable by a grand ball and excursion trains will run from Goldsboro, Kinston, New Bern and other points.

On June 5th the Teachers' Assembly will go down, some 600 strong. On June 16th the Tennessee Press Association will spend a week at Morehead. There will be not less than 100 of these. In August the State Insurance Association, 75 to 100 delegates, will meet there.

AT CHAPEL HILL.

Captain S. A. MacRae, of Fayetteville, lectured before the law class of the University at Chapel Hill Thursday on "Bankruptcy." This lecture is one of the series to be delivered before the law class this year by eminent lawyers throughout this and other States.

BAPTIST FEMALE UNIVERSITY.

At a meeting of the Executive Committee of the Baptist Female University, held Friday afternoon, Rev. John E. White, who was recently elected president of the institution to succeed Dr. Basingame, stated that he would be able to accept. His declination of the call was the result of the receipt by him of numerous letters from all parts of the State urging him to continue in his present work as secretary of the Baptist Mission Board. He had, therefore, decided to pursue this course.

The committee, before adjourning, appointed a sub-committee, consisting of J. E. White, C. J. Hunter, A. A. Marshall, W. N. Jones, N. B. Broughton, J. Y. Joyner and J. W. Bailey, to select and recommend a president for their institution. They will begin their work at once. Dr. Basingame's resignation takes effect on June 17th, and it is necessary to select a new president by that time, if possible.

Two names now most prominently mentioned in connection with the position are Prof. S. B. Carlyle, of Wake

Forest, and President F. P. Hobgood, of Oxford Female Seminary.

GOING TO PARIS.

Dr. Hubert A. Royster, Prof. Everson Howell, of the University, and a party from Rocky Mount will sail next Saturday from New York for Paris. In addition to Dr. Royster and Prof. Howell, the party will consist of Mr. T. J. Hackley, R. H. Hicks, L. F. Filer and W. R. Cox, Jr., of Rocky Mount. Passage has been engaged on the steamer Minneapolis, which sails from New York Saturday, May 26.

POLITICAL NOTES.

Friday was a big day at Wikesboro. Candidate Aycock and others were there and made addresses. There were about 500 people in the parade.

White Oak people are working hard for John P. Pearson as a member of the House of Representatives.

Funerals in Greensboro were held today. The county convention will be held May 26.

Major H. A. London spoke to a large audience at Maxton Thursday night in favor of the amendment.

Goldsboro township has agreed to divide its vote between Kitchen, Gilliam, Woodard and Peebles.

BRIEF NEWS NOTES.

The State Board of Agriculture will hold its meeting on June 12.

Miss Maria Robbins is in the city, and the musicale by her will be given at the Governor's mansion on Monday night.

The resignation of First Lieutenant M. J. McNair, of the Maxton Guards, has been accepted by the Adjutant General.

The closing programs of the Raleigh schools have been arranged, and are this year of unusual interest.

The Supreme Court will adjourn on June 1. It will not be able to complete its work before that time. There are still a number of important decisions to hand down.

Alderman Charles F. Cooke has been elected a delegate from the Raleigh union to the International Typographical Union which meets at Milwaukee on August 11.

The decision of the Supreme Court in the Tom Jones murder case not yet having been certified to the Governor, no date has been fixed for the execution. The negro did not seem at all surprised or affected when he was told the terrible result of his appeal to the higher court.

The gavel which will be used at the Republican National Convention at Philadelphia is composed of pieces of wood of historic interest from each State. The piece from this State was taken from the quaint little house here in which President Andrew Johnson was born.

The second annual commencement of Greensboro Agricultural and Mechanical College (colored) will take place May 20, 21, 22, 23 and 24.

Rev. Mr. Hornsby, of Hertford, was the guest of Rev. Mr. Willis at the Bay View yesterday.

Mr. H. W. Aldridge, of the Bay Line; Mr. E. C. Potter, of the Norfolk and Southern railroad, and Mr. Geo. W. Hoper, of the Roper Lumber Company, were in Edenton yesterday.

Mr. A. B. McCoy, of Columbia, came over today to visit relatives.

HERTFORD.

(Special to Virginian-Pilot.)

Hertford, N. C., May 19.—Messrs. Engle and Sawyer, who are in charge of "Zodler's" photograph gallery here, tell us they will remain but a short while longer.

The Hertford Manufacturing Company dissolved partnership yesterday. The firm will continue under the old name.

Rev. C. J. F. Anderson has tendered his resignation to the Main Street Baptist Church. Rev. Mr. Smith, of Durham, will probably be called.

SENT FREE TO MEN

A Most Remarkable Remedy That Quickly Restores Lost Vigor To Men.

A Free Trial Package Sent By Mail To All Who Write.

Free trial packages of a most remarkable remedy are being mailed to all who will write the State Medical Institute. They cured so many men who had battled for years against the mental and physical suffering of lost manhood, that the Institute has decided to distribute free trial packages to all who write. It is a home treatment and all men who suffer with any form of sexual weakness, resulting from youthful folly, premature loss of strength and memory, weak back, varicocele, or emaciation of parts can now cure themselves at home.

The remedy has a peculiarly grateful effect of warmth and seems to act direct to the desired location, giving strength and development just where it is needed. It cures all the ills and troubles that come from years of misuse of the natural functions and has been an absolute success in all cases. A request to the State Medical Institute, 18 Elektron Building, Ft. Wayne, Ind., stating that you desire one of their free trial packages, will be complied with promptly. The Institute is desirous of reaching that great class of men who are unable to leave home to be treated and the free sample will enable them to see how easy it is to be cured of sexual weakness when the proper remedies are employed. The Institute makes no restrictions. Any man who writes will be sent a free sample, carefully sealed in a plain package so that its recipient need have no fear of embarrassment or publicity. Readers are requested to write without delay.

CANCER Cannot be Cut Out or Removed with Plasters

Surgical operations and flesh destroying plasters are useless, painful and dangerous, and besides, never cure Cancer. No matter how often a cancerous sore is removed, another comes at or near the same point, and always in a worse form. Does not this prove conclusively that Cancer is a blood disease, and that it is folly to attempt to cure this deep-seated, dangerous blood trouble by cutting or burning out the sore, which, after all, is only an outward sign of the disease—a place of exit for the poison?

Cancer runs in families through many generations, and those whose ancestors have been afflicted with it are liable at any time to be stricken with the deadly malady.

Only Blood Diseases can be Transmitted from One Generation to Another

—further proof that Cancer is a disease of the blood. To cure a blood disease like this you must cure the entire blood system—remove every trace of the poison. Nothing cures Cancer effectually and permanently but S. S. S.

S. S. S. enters the circulation, searches out and removes all taint, and stops the formation of cancerous cells. No mere tonic or ordinary blood medicine can do this. S. S. S. goes down to the very roots of the disease, and forces out the deadly poison, allowing the sore to heal naturally and permanently. S. S. S. at the same time purifies the blood and builds up the general health.

A little pimple, a harmless looking wart or mole, a lump in the breast, a cut or bruise that refuses to heal under ordinary treatment, should all be looked upon with suspicion, as this is often the beginning of a bad form of cancer.

Mrs. Sarah M. Keating, 94 Windsor Ave., Bristol, Tenn., writes: "I am 41 years old, and for three years have suffered with a severe form of Cancer on my jaw, which the doctors in this city said was incurable, and that I could not live more than six months. I accepted their statement as true, and had given up all hope of ever being well again, when my druggist, knowing of my condition, recommended S. S. S. After taking a few bottles the sore began to heal, much to the surprise of the physicians, and in a short time made a complete cure. I have gained in flesh, my appetite is splendid, sleep is refreshing—in fact, am enjoying perfect health."

Our medical department is in charge of physicians of long experience, who are especially skilled in treating Cancer and other blood diseases. Write for any advice or information wanted, we make no charge whatever for this service.

SSS

THE SWIFT SPECIFIC COMPANY, ATLANTA, GA.

THE Mecca of Prudent Real Estate Investors — IS — PORT NORFOLK.

Would you believe that beautiful lots in a growing part of the city can be bought as low as \$125? We can sell at this price just now, but prices will be higher a few weeks hence. You will notice that as a place of residence there is nothing better on the market in the way of healthful location and attractive environment. As an example of city building you should look at the Property of the Port Norfolk Investment Company. 14 new buildings contracted for in the last three months; nine of which are well under way in process of construction.

A home in Port Norfolk is a "thing of beauty and a joy forever."

As a place of investment, Port Norfolk Investment Company lots are without a parallel. Property in this vicinity has increased in value an average of over 15 per cent. per annum for the last ten years, and the prospects for future increase are brighter than at any time in its past history.

Notice this, the years of greatest prosperity during the past century were 1819, 1837, 1857, 1872, 1890, following which order we will have increasing prosperity until 1911. It naturally follows that persons who buy property now will be assured of a constant increase for at least ten years. The high water mark of the present wave of prosperity will not be reached for some years to come, and those who invest NOW will get the greatest benefit.

For a short time we offer lots east of Hamilton street, with improved granolithic sidewalks, at \$225 each. Lots on Vermont avenue at \$155 each, and lots on Potomac avenue \$175 each. All of these lots are being improved with granolithic paving. Other lots from \$125 to \$150 each on easy terms of payment. \$10 cash and \$10 per month.

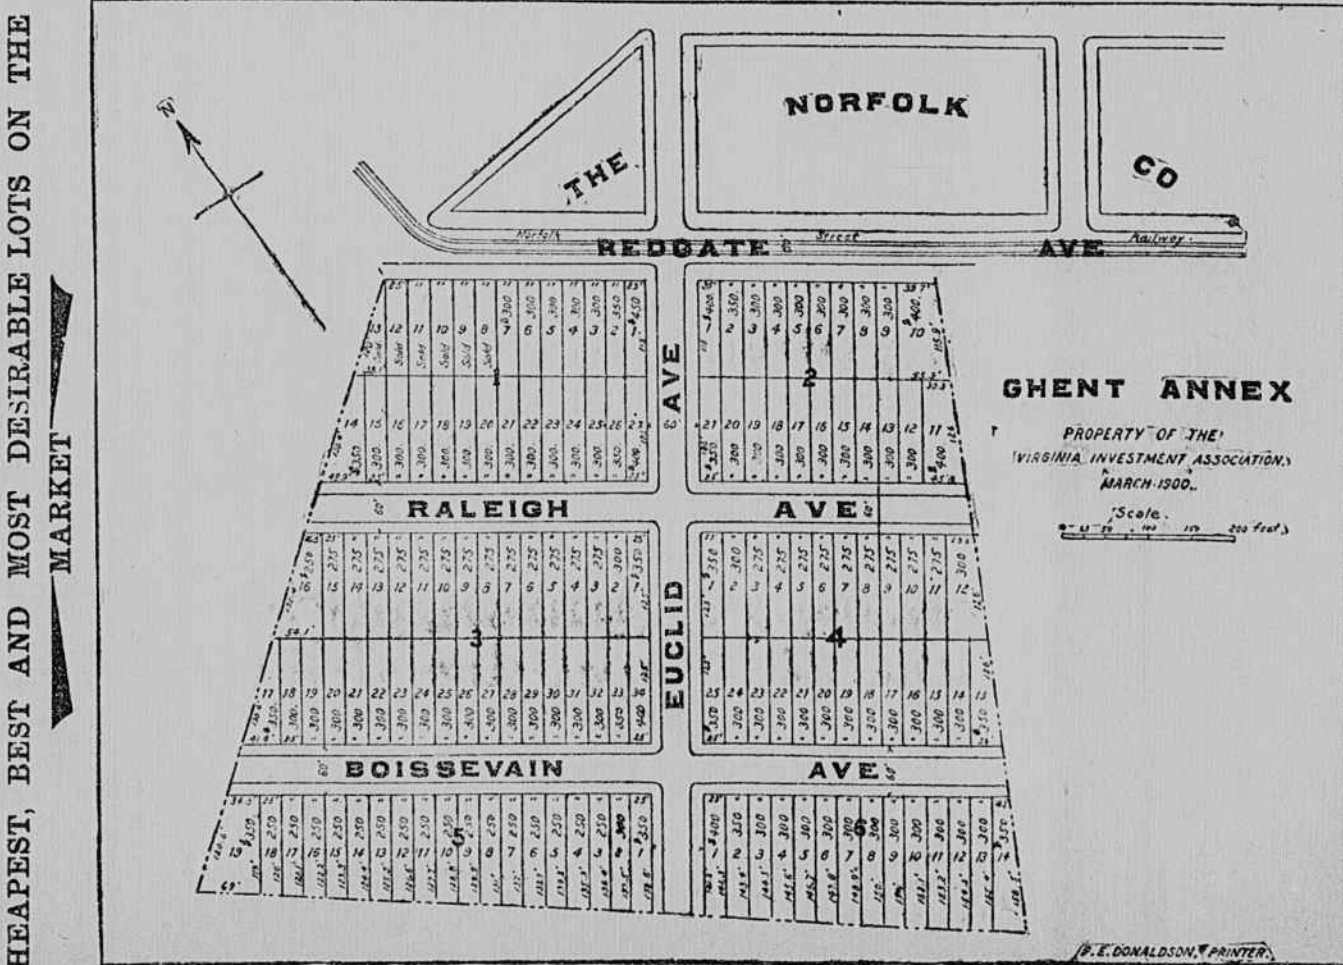

There is nothing better in the way of securing investment than you will find right here at home on this great harbor, which is destined to make this the greatest American city south of New York.

Civilized Extraction.
Apply our "Newest Discovery" for the extraction of teeth without pain is a campaign against skepticism—but the conversion is always very complete and satisfying. We inject into the gum an anesthetic that is free from all poisonous substance, yet effective in deadening the nerves of the tooth for a moment's time in which the operation is completed without the least sensation of pain. It is so simple, so safe and so free from bad after-effects that the pain of old-time methods appears barbarous.
